

Hora Hora Kindergarten Newsletter 6th October 2011

Term 3 is coming to an end so we would like to thank everyone who has been able to us with the numerous tasks that have needed to be done as well as with the end of term clean. We appreciate your help and support.

Today is the last day for this term, for the children attending the afternoon session and tomorrow, Friday 7th October, will be the last day for the children attending the morning session.

Term 4 starts on Tuesday 25th October for both sessions.

During the term break (weather permitting and fingers crossed) we will be having a new veranda canopy and deck built along the front of the building. This is the beginning of the redesigning of the outdoor play area. Staff are beginning to gather ideas to enhance the physical challenges and learning opportunities for the children/tamariki.

During the second week of the term break the staff will be working at the "KIDS EXPO".

This is a FUN day for all children and their families/whanau.

Come and see us and join in the fun Tuesday 18th October – ASB Stadium, Kensington.

We will also be attending professional development courses and meetings on the other days

Helen will travel to America to speak at The American Rose Society Convention and Show.

We wish her all the best and her power point shows Whangarei off beautifully.

This means that she won't be back for the first week of the term; Janet Litt will be the relieving teacher for this time.

Please check the lost property and the art boxes for your child's master pieces and show them that you value their art.

Remember that some of the best times are the "spur of the moment" trips to run, walk and dig at the beach –take sandwiches and a drink and ENJOY the simple things in life.

Raining? Sheets/blankets over the lounge suite and chairs – a great hut/space ship/ Dora house etc etc ideas are endless.....

Stay safe and we will see you all next term

Fiona, Helen, Karen and Hui-Min
